United States District Court for the  
Eastern District of California  
501 I Street  
Sacramento, CA 95814

Re: *Ray v. NCAA*, No. 23-cv-00425 (E.D. Cal.)

Judge Shubb,

On May 27, 2025, Plaintiffs in the above-captioned case filed for a Motion for Approval of the Manner and Form of Class Notice (“Motion”). ECF 138; *see also* ECF 139 (proposed order). We write to inform the Court that more than 14 days have passed since the Motion was filed, and Defendant National Collegiate Athletic Association has not filed any opposition. Accordingly, the Motion is ripe for the Court’s adjudication and may be treated as unopposed under Local Rule 230(c). We would be happy to answer any questions the Court may have.

Sincerely,

A handwritten signature in black ink, appearing to read 'Michael Lieberman', with a long horizontal line extending to the right.
